RICHMOND BREAKS MEMBERSHIP RECORD

Richmond Football Club is pleased to announce that today it has broken the all time club membership record.

The Tigers have eclipsed last year's 30 June cut-off tally of 30,044 ticketed members.

As of close of business tonight this year's number is now 30,070, with a further 7,753 non-ticketed members.

"Breaking the record is a tribute to our loyal supporters, who have continued to join the club year after year," Richmond CEO Steven Wright said today.

"It is fantastic that the members have shown their continued passion for this great club in our centenary year in the VFL/AFL."

"This is even more pleasing given we still have more than 3,500 ticketed members yet to renew for season 2008, so we encourage them to get on board to ensure we set a high benchmark for the future."
