

RICHMOND FOOTBALL CLUB

2010 ANNUAL REPORT

PRESIDENT'S REPORT

Although the ladder shows the Richmond Football Club finished 15th in 2010, I firmly believe that is not a true reflection of the solid progress we made, both on and off the field during the year.

Coach Damien Hardwick introduced 12 new players into our team during the season, with the majority of them showing extremely promising signs for the future. The efforts of first-year players Dustin Martin, David Astbury and Ben Nason, in particular, were noteworthy, and gave Tiger members real cause for optimism moving forward.

As did the form of several young players, who blossomed in 2010 after being at the Club for three or four years. I refer to the likes of Jack Riewoldt, Shane Edwards and Daniel Connors, who all had significant impacts.

Jack deserves special mention for winning his inaugural Jack Dyer Medal, the competition's Coleman Medal for the first time, and earning All-Australian selection for the first time as well. At just 21 years of age, we eagerly await what lies ahead for this exciting spearhead from Tasmania, who is following in the illustrious footsteps of a mighty impressive line of key Tiger forwards from Tassie – Royce Hart, Michael Roach, Matthew Richardson, and now Jack.

Damien Hardwick deserves considerable credit for implementing the first phase of his blueprint, for delivering the Club's long-awaited 11th premiership, with such energy, composure and positiveness. At no stage did he waver in his philosophy or planning – not even when we were 0–9 after nine rounds. He was extremely measured with the way he went about his business, which is the sign of a coach who is totally committed in his beliefs and confident in the direction he's headed. That type of approach can only hold our young team in good stead for the future.

I'd like to pay tribute to three Richmond players who announced their retirement in 2010 – Troy Simmonds, Graham Polak and Ben Cousins. All three of them started their AFL careers at other clubs, but they embraced Tigerland from the moment they stepped into the place, and then went on to provide us with very good service. We wish them the very best for the future, along with the other players, who have departed the Club since the end of the season.

Off the field, Brendon Gale and his team are to be commended for their efforts in 2010. They, too, remained positive throughout and totally committed to the plans we have put in place. It wasn't easy for them, either, with the massive Punt Road redevelopment creating considerable disruptions to the workplace. Not that anyone was complaining because we all know how impressive and important the end result is going to be.

2011 will be a pivotal year for the Club...On-field, we'll be looking to continue establishing our game plan and getting more games into our young players. It will be another stepping stone towards 2012 and beyond, in becoming a regular finals side.

Off-field, the opening of our new facility at Punt Road will be exciting, and the Richmond Cricket Club's move out to Glen Waverley will enable us to reshape the oval and return it to an elite playing surface. This will be critical to the development of our football team.

Also, importantly, starting in February next year, there will be a concerted campaign by the Club to eradicate our debt and secure our long-term financial position. Details of this plan will unfold early in the New Year.

FINANCES

As detailed in the Treasurer's Report, the Club has continued its recent trend of strong operating performance, returning a profit of \$2,846,065 in 2010. This is the sixth year in-a-row that the Club has made a profit.

We reached our 2010 membership target of 42,000, which was particularly pleasing. It's a real credit to our membership department and, of course, each and every Tiger supporter, who signed up as a member.

Our 2011 membership goal is 46,000 – 10,000 of them hopefully coming via our recently launched "Operation 10,000" campaign (Please see richmond.fc.com.au or call **1300 RICHMOND** 1300 742 466 for further details).

APPRECIATION

In closing, I would like to extend sincere thanks to the following organisations:

- Our co-major partners, Dick Smith and Luxbet.com. This was the third year of Dick Smith's involvement with the Club and we greatly appreciated their continued support. Although not continuing as a co-major sponsor in 2011, we are delighted that Dick Smith will remain a Foundation Partner of our Indigenous programs.
- Luxbet.com has been our co-major partner for two years and although they will not continue in the same capacity next year, we are pleased they will remain a sponsor of the Club in 2011.
- To our Gold and Platinum partners in Nissan, Reebok, Lite n' Easy, HOSTPLUS, Australian Power and Gas, Coca Cola, Auslab, ASTA Solutions, Herald and Weekly Times, Tattersalls, JR/Group, Club Warehouse, Clean Force Beiersdorf and Musashi, thanks for all your support.
- To the members of Jack's Club, the Legends Club, Richmond Executive, Players' Club, Players' Club Option B, Locker Room, Rising Tigers, Tommy Hafey Club, Tiger Lilies, Former Players and Officials Association, the Club's Historical Group, Country Supporter Groups and Club 80, we offer our gratitude for your continued valuable involvement at Tigerland.
- To our Cheer Squad, the best in the caper, your enthusiasm, loyalty and passion for the Yellow and Black is simply brilliant.
- To my fellow board members, and the Club's managers and staff, the dedication and professionalism you have displayed over the past 12 months has been greatly appreciated.
- To the many volunteers, behind the scenes, who assist the Club in throughout the course of the year, we are very grateful for your valuable contributions.
- Finally, but most importantly, to each Richmond member, thanks for your continued magnificent support of the Tigers. I wish you, and all your families, a very happy festive season, and look forward to seeing – and hearing – you at our games in season 2011.

TREASURER'S REPORT

On behalf of the Board, I am pleased to present the Club's financial report for the year ended October 31, 2010.

It is pleasing to report that the consolidated entity has recorded a net profit of \$2,846,065. The entity's operating profit is \$759,142.

The Club has now recorded profits for the past six consecutive years.

YEAR	NET PROFIT/(LOSS) \$
2010	2,846,000
2009	1,591,000
2008	8,010,000
2007	1,031,000
2006	949,000
2005	41,000

As at October 31, 2010 the Club has net assets of \$13.30 million, which is a significant improvement on previous years.

YEAR	NET ASSETS \$
2010	13,295,000
2009	10,449,000
2008	8,858,000
2007	848,000
2006	(183,000)
2005	(704,000)

The Board has communicated to members a clear direction for creating a strong, sustainable financial position for the Club to achieve long-term success, both on and off the field. In each of the last five years, we have taken a significant step towards that objective. This year, the collective efforts of many Richmond people, has enabled the Club to undertake significant works associated with the redevelopment of our Punt Road Oval facilities. Significantly, the project is nearing completion and remains well within budget.

This year's net profit result again reaffirms the Board and management's commitment to our financial plans, and the governance principles that were established to support our operations.

The 2010 profit and continued growth in net assets is an excellent result for the Club, particularly given our on-field results this year, and the uncertain economic conditions that continue to prevail. The ability to generate a profit under such circumstances, highlights the continued dedication of our members, staff, players, sponsors, coterie members, donors and supporters.

Rob Dalton
Treasurer
